Manuscript submission  
(2-4 Pages)

**31<sup>st</sup> of May 2021**  
Notification of acceptance

**30<sup>th</sup> of June 2021**  
End of registration

**August 22 to 25, 2021**

Website for the virtual  
conference will be  
shared soon!

Dear friends and colleagues,  
unfortunately, measures against the pandemic situation did not develop as fast as anticipated. For this reason, we decided that the ISHPC 2021 will be a fully virtual event taking advantage of all the digital improvements in the present time. We want to make this virtual experience to get as close to a real conference as possible. There will be live sessions, on demand video content, breakout rooms, virtual coffee breaks to chat and a virtual social event. So don't miss to upload your contribution here:

<https://ishpc2021.exordo.com>

The registration fees for attending this virtual event are as follows:

Regular rate	Student rate
150 €	75 €

Please find our already accepted contributions from last years call here:

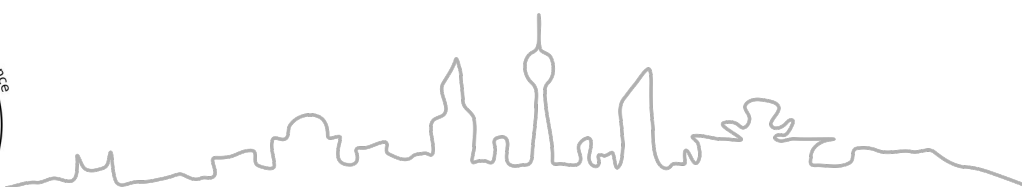

<http://dx.doi.org/10.14279/depositonce-10430.2>

We are looking forward to your exciting contributions and seeing you soon at least virtually. Take care!

### Topics:

Open, Closed, Hybrid Sorption Cycles, Theoretical and Experimental Research, Ecology and Economy, Fundamental and Applied Research, Reviews and Future Trends, Design and Material Studies.
